TRD-2250	1545.00		

Stainless Steel= call for pricing

TracRite models 2100, 2170, & 2250 are all configured for horizontal mounting. TracRite model 2200 is configured for vertical mounting.

TracMaster™

Our versatile center-mix models make a perfect choice for sprayers up to 60 ft. and single drop spreaders.

Due to the popularity and economics of the TracRite series, TracMaster units have been in less demand. Units & parts are still available. Call for unit pricing.

MiniTrac™ 2000 Series

An affordable, compact foam marker for pasture sprayers & ATV's.

For boom lengths up to 45'.

Includes mini collector heads

Model MTD-2020

MTD-Units:

Model #	Std Unit
MTD-2020	695.00
MTD-2020SD	575.00
MTD-2040	735.00
MTD-2040SD	625.00

Mini Trac™ units MTD-03, MTD-045, & MTD-06 have been discontinued. The Trac Rite™ units listed above offer a better value and performance thus eliminating the need for those units. Parts are still available for the older MiniTrac™ models.

Tank Descriptions:
